PRESIDENT'S REPORT

I would like to welcome you to the 126th Annual General Meeting of the Ballarat Golf Club.

Over the past 12 months the world has been riding a social and economic roller coaster and our club is no different. From total lock down to reopening with various restrictions at various stages throughout the year, it has been extremely challenging for staff and members alike.

Last year particularly during winter, the course had its heaviest usage since its opening which put enormous strain upon our greens staff who continually presented our course at its best with limited working hour's capacity under job keeper conditions.

It is sometimes easy for people to take for granted a job well done, as members we can be very thankful for the professionalism of all our staff, from the club house, kitchen, office, greens, and pro shop. They are all committed to providing the very best service to visitors, members, and guests of our club, even when circumstances and restrictions make this difficult. I would like to personally express my thanks to each of our staff and the Pro Shop team for their efforts during these trying times.

In normal circumstances I would be taking delight in reporting on the various events our Club had hosted over the year, however many of those did not take place so we can only look forward to the upcoming calendar of events which are scheduled to happen this year.

Despite the pandemic the Club as achieved significant improvements. Whilst we were in lockdowns much of the club house redevelopment scheduled for last year took place, with carpet being replaced, painting throughout being completed and alterations to the kitchen cool room, freezer and storage areas being approved and scheduled to begin very soon. I am pleased to announce that new furniture has been ordered and is scheduled to arrive late May / early June this year which will add a fresh new look to the functions and bistro areas.

The Club has also undertaken to purchase new kitchen equipment which will provide quick food options for diners and golfers to enjoy pre, mid and post round which will be fast and tasty. We hope to have this installed and operating as soon as possible.

The Driving Range cover and lights have now been completed and are proving to be a very popular addition to the golf club, with the facility being well utilised by members and our coaching staff and their clinics.

It is particularly rewarding to see the huge number of juniors we now have about the club most nights of the week attending clinics and enjoying the course. This group is the future of our Club and our sport and should be encouraged wherever and whenever possible.

Many of you will have heard talk of Vision 2025 and may not know what it is. This is an initiative of Golf Australia to promote and encourage women's participation in golf throughout Australia and has come about as a result of findings from the Human Rights Commission into the actions of some golf clubs and their discriminatory practices.

At Ballarat we were already well ahead of many other clubs around the country with inclusiveness of women in our Club. A fact that we can be very proud of, but there is still more which can be done and

the Board is committed to doing whatever is needed to encourage women to be a part of golf and enjoy what our Club has to offer. There is a vast amount of information on the Golf Australia website and I would encourage you to seek out this information and have a look at some of the practices other clubs are putting in place to achieve this goal, some of which we will be following going forward.

We are extremely fortunate at the Ballarat Golf Club to have Gary Fry as our Acting General Manager. Over the past year Gary together with Hannah Mead and their team in the office, have always made themselves aware of every development affecting operating restrictions, some of which changed on a daily basis. They worked tirelessly to provide information to members and the Board, as well as working on strategies to bring the Club out of restrictions as quickly as possible and maximize our financial position with the limited operations we had.

Over the last 6 months Gary together with a working party from the Board have been undertaking preliminary works to develop an affordable proposal for the expansion of our club house, which will see the addition of a dedicated members area together with an alfresco covered dining and function space which will add to our offering for our members and patrons. We hope to have this proposal ready to present to members within the next two months.

I would like to thank myfellow board members, Paul Foley, Greg Bennett, Michael Erbacher, John King, Cameron Bryce, Kym Erbacher, Paul Clark and Michael Crossfor giving their time and attention to the wellbeing of our Club and its future. Paul Clark and Michael Cross stepped into seconded positions following resignations after the last AGM and I sincerely thank them for filling those vacancies.

I would like to thank the members for their support and well wishes on my appointment as the first female president of the Ballarat Golf Club. It is an honour and a privilege to have been elected to this position.

Lesa Gray President

GENERAL MANAGER'S REPORT

Again I am privileged and honoured to be able to write the General Manager's Annual Report and I again thank the Board for the opportunity to act in this position.

2020 was a tumultuous year and the reports provided by others within this Annual Report provide much of the detail of the operations of the Club in the year.

The various shutdowns and interruptions to the Club and its facilities during 2020 were difficult for all. Whilst the impact on member's abilities to enjoy the facilities of the Club were significant, we were fortunate that our restrictions (to the course in particular) were very limited when compared to the majority of the State's population. Indeed golf rounds played have been higher than ever experienced.

The financial impact on the Club has been hugely significant and the JobKeeper payments have been critical in allowing the Club to continue its pre - COVID range of operations.

Of greatest impact was that on the employees of the Club, who like so many other employees were hit hard both emotionally and financially during the various lockdowns. A return to a pre - COVID state for many is still some way off. Despite this whenever asked they continued to deliver above and beyond during the hard times and I thank every one of them for their continued commitment and support to myself, the Club and its members.

All of our team are outstanding and all worthy or mention but with limited space I thank in particular:

Jeff Powell: his leadership, work ethic and commitment throughout the year remain as outstanding. His commitment and training is reflected in Tom Lyon being awarded Greenkeeper Apprentice of the Year and I congratulate Tom on this honour. Jeff is the only supervisor to ever have this award granted to two of his employees and our continued listing in the top 100 courses is testament to the efforts of the whole course crew. Hannah Mead: since being appointed in the role as Assistant Manager, Hannah has simply shone. I could not function in my role without her invaluable knowledge, foresight, attention to detail and assistance. She is capable of and deserves far greater management roles.

Trilock Chand: as head chef TC has the kitchen producing consistent quality food and drawing the team together after the impact of a number of predecessors and I thank him for taking on what has been a difficult task to date with more yet to be done.

Louise Mead: managing the finances and keeping the books balanced at a time when the world was not, presented many challenges and additional work and as always Lou just got on with it and made it happen.

Natalie Purtell: a great job managing on again off again functions and the various restrictions placed on these while taking on a marketing role.

David Wallis and his team in the Pro-Shop who have borne the brunt of the significant changes in both demand and conditions imposed on golfers and the pro-shop operations.

The Club will continue to face significant challenges in the future – the impact of the cessation of the JobKeeper payments being a major one. Unfortunately COVID has been the greatest boost golf has had since Tiger Woods and while we need to continue to drive this area of our business we must recognise that it is the rest of the business that actually fund our operations and substantially subsidise our golf.

I believe that the key to the Club's ongoing success is to drive far more business into the Clubhouse. We must become "the local" for the large and growing population that surrounds our Club as our membership base cannot sustain the Club into the future. Failure to do so will not only see us stagnate but risk a downward spiral should -

or perhaps when - nearby significant opposition arise.

The first steps have been taken with some minor works undertaken within the clubhouse and new furniture will give it a significant lift. A new "pub/club" menu has also been developed and will be implemented at the beginning of April.

We have plans in place for significant kitchen works and I am proud to have been heavily involved in the proposed changes to the Clubhouse that will see — subject to member's approval — a dedicated member's lounge and a doubling of the current bistro area including an outdoor deck / dining area. These proposed changes (to be presented to members after further works and costings are complete) I believe will allow the Club to become the "local" it needs to be while greatly enhancing the experience of our golfing members in particular.

It has been a very difficult year. In hindsight there are many things that I would have done differently and things that I could have done better under the circumstances - but I am proud to say that I have given it my best and I believe the 2020 year given the circumstances has been a successful one.

Again I thank the Board for the honesty, support, guidance and opportunity, the members for their support and honest feedback, and in particular the staff without whom I simply could not have survived the year as General Manager.

Once again I wish the Club and all of its members all the very best for the future. Take care of yourselves, be considerate of each other, support your Club and nurture the course.

I ask you enjoy the present but look beyond. Strive together for a stronger and more inclusive Club as the best is in the years to come.

Gary Fry General Manager

CAPTAIN'S REPORT

Well, how do you report after the year that was? One thing for sure you all played a lot of golf!

Instead of reflecting on all the drama's caused by the pandemic, I would like to reflect on the opportunities our members had in playing, by creating 'weekend competitions', giving everyone the opportunity to play in an event. It also gave us a glimpse of what Vision 25 might look like with "Open" competitions.

I would like to thank the members for their acceptance of the difficult situations we had to face whilst also managing to complete the Club Championships. Congratulations to all the members who gave of their time and participated and all the individuals who made the event a success!

Hopefully, we can get back to normal as soon as possible, with Pennant about to start, along with the 2021 Club Championships. The Club is coming back to life!

Thank you to David Wallis and the Pro Shop staff for your support, they do a host of work behind the scenes and I can see the friendly banter that takes place with members, a happy workplace! Also, to everyone involved in the Juniors and Women's Golf Clinics, the place full of new faces is gratifying.

Jeff Powell and his green staff have certainly done a magnificent job with the golf course. Think about trying to maintain a Championship course with just 2 staff in Jeff Powell and Jayden New during the 1st lockdown; they certainly went above and beyond their job description. All staff are now working very hard to get the course back to normal. Well-done team!

In conjunction with the greens staff is Dad's Army. An invaluable source of volunteers, who turn up each week to lend the green staff a welcome hand. Thank you all!

Thank you to the Golf subcommittee and administration, who had to make some hard and sometimes unpopular decisions during this time.

Finally, thank you all for your support as Captain. I again have enjoyed the role and am honoured to have had the opportunity to be Captain of such an historic club.

Committee: Jeni Lawrence, Leonie Roder, Sharon McCuskey

WOMEN'S PRESIDENTS REPORT

It is with great pleasure I present my report for 2020 as President of the Ballarat Golf Club Women's Sub-Committee in its 125th year. I have been privileged to have represented such a wonderful group of Women golfers for a second term.

Our first event for the year was our Begonia Bowl with a field of 74, little did we know this would be our last event for some time. As of the 18th March our course was closed down due to a worldwide Corona Virus Pandemic. On the 13th May our course reopened with great restrictions. A second wave of the Pandemic saw our course closed again. On reopening all golfers were to wear masks and be socially distanced. With great restrictions in our club house it made it impossible to host many events. Fortunately our Winter Cup was eventually held on the 30th September with members only playing in the field.

Our Annual Tournament due to continued restrictions was cancelled, but we were able to play the Faull Plate on the 25th November with members only and no indoor function following. I would like thank the Faull family who with great generosity supported us again this year.

I acknowledge the Board of Directors led by President Wayne Hines until our delayed AGM on the 20th of July. With Wayne's resignation saw the appointment of our first ever Ballarat Golf Club Women's President Lesa Gray, I congratulate Lesa and wish her well in her new role. Congratulations also to Kym Erbacher on her appointment to the Board.

Although we could not run our Fiona Elsey Charity Day this year due to COVID-19, the Board generously donated a wonderful \$4525 to FECRI to which they were very grateful.

A big thankyou to our General Manager Mr. Gary Fry who has ably led us and did an amazing job taking care of business under the most extraordinary times of COVID-19. He has kept us safe, up to date and fully informed at all times. I also thank, Assistant Manager Hannah Mead, Louise Mead, Natalie Purtell and Narelle Baker. Although this year has been almost a non event they have still been working behind the scenes. The hospitality managers and staff have had a tough year with limiting work restrictions forced upon them, but were always at the ready to help when required.

A massive thankyou to our Course Superintendent Jeff Powell and his staff for keeping our course in tip top condition under the toughest year, with limited staff and restrictions. Dad's Army are a vital part of our Club and have been restricted as to what they could achieve this year, thankyou your work is always appreciated.

I would like to acknowledge our Club Professional David Wallis who has worked through the difficult times that 2020 presented, but he was always ready to help and support our members, along with his staff wherever needed. Thankyou also to our Women's Professional, Ange Tatt who greatly supports our women members in so many ways.

I thank our 2020 Women's Sub-committee who have had a bit of a rest this year with limited events, but together with Captain Simone and our super Secretary June we have stayed connected with our members via email and in setting up a BGC friends in golf Facebook site, which has been a fun way of staying in touch through these difficult times.

2020 Sub-Committee Members were: Vicki Wilson (Vice President) Simone Byrne (Captain) Jeni Lawrence (Vice Captain) June Jones (Secretary) Leonie Roder and Sharon McCuskey

I would like to thank Captain Simone who has done an amazing job in her first year with every challenge thrown at her in the very trying times that 2020 presented. Simone you have been a wonderful support to me and I have loved working with you and I wish you well in your second year of Captaincy.

2020 sees the retirement of Jeni Lawrence who has been a great Committee Member for many years, Leonie Roder for the last 2 years and myself fully enjoying my role as President for the past 2 years. I would like to wish incoming President Vicki Wilson and Sub-committee well in their new role.

Finally I would like to thank all of you, our women members who with loyalty and enthusiasm create fellowship within our great Club. I trust together we can continue to prosper as we introduce Vision 2025, taking our Club into the future, making us an even more popular and successful Golf Club, upholding our proud tradition leading us into our 126th year.

Sue Howie

Women's President BGC Sub-Committee

WOMEN'S CAPTAINS REPORT

Thank you for the opportunity to be your women's Captain this year.

2020 is certainly a year for the history books with the COVID-19 pandemic dramatically changing the way we have operated golf, let alone the rest of our lives.

Our golfing year began smoothly. The Ballarat District Golf Association held their 27 Hole Open Women's Championship at our Club in January. Congratulations to Kate McMahon, Handicap winner. We also had success with the Women's 18 Hole Championships in February: Vicki Waldron (A grade Stableford and Veteran winner), Jill Dunne (B grade Handicap runner-up) and Jane Nunn (C grade Stableford runner-up). Well done also to Pauline Williamson who was awarded the 2019 District Silver Spoon in March this year.

We witnessed the third successful ALPG event hosted at our club in February, with members having the opportunity to play with talented golfers from around the world - including our very own Ange Tatt.

Our Begonia Bowl followed in early March with entries from 11 clubs and Buninyong Golf Club winning the event. Unfortunately this was our only Open Day to take place this year.

Women's District Pennant plans were made with five Ballarat Golf Club teams ready to commence play in March. Golf Australia put a stop to those plans, cancelling the pennant season due to the COVID-19 pandemic restrictions. The first round of our women's Club Championships went ahead in mid-March but with the onset of restrictions we were not able to resume our championships until late October. Our finals were contested wearing face masks and spectators were absent. Congratulations to our Club Champion - Kate McMahon, B Grade Champion - Alicia Todd, C Grade Champion - Lesa Gray, D Grade Champion - Faye Butcher, and Junior Champion Sophie Byrne. It's wonderful to see our junior golfers contesting the championships, and we hope to attract more women and girls into our 2021 fields as we plan towards Golf Australia's Vision 2025.

Reflecting upon our women's 2019 championship survey results, the Ballarat District championship format and the future alignment of men's and women's competitions within our club, some changes were made to our championship format. The A Grade handicap range was condensed, and remaining handicaps spread more evenly across B, C and D Grades. It is pleasing that a third more women played this year compared to 2019.

Only nine medals were contested this year - excluding April, May and September. Other events not played were our Scratch Foursomes, Fiona Elsey Charity Day and November Tournament week (including the Rosalie Andre event). The District Silver Spoon was not contested, along with our inter-club team events - the Ashley Trophy (against Buninyong), Griffith Cup (against Midlands) and the Moreton Trophy (now postponed to November 2021 at our club).

An exciting invitation for our Women's Sub-Committee was the Warrallie Cup at Barwon Heads played in October. Although we didn't retain the trophy, we felt spoilt to enjoy a day out regardless of COVID restrictions.

September saw the easing of these restrictions, and we played a "members-only" Winter Cup (in Spring), our Single Knock-outs, Eileen Hyland 4BBB event, the Centenary Cup and Faull Plate.

We resumed our Wednesday competition with a two-tee start with the Women's Competition running all day enabling golfers to participate in either the allocated morning field, or open afternoon field, with competition

results processed at the end of the day.

Our club professional David Wallis, Ange Tatt and other pro-shop staff have provided much support during this topsy-turvy year — and I thank them all personally for their help and advice. I'd also like to thank our Manager Gary Fry, and office and hospitality staff for their hard work in such unprecedented times.

Thank you also to my fellow Women's Sub-Committee members for their assistance throughout the year – Sue, June, Jeni, Vicki, Sharon and Leonie, especially those stepping down today. I'd also like to acknowledge Pauline Murphy for being our Ballarat District Golf Association "go to".

We are so lucky to be members of the best golf course in the region, and I'd like to commend our Course Superintendent Jeff Powell and greens staff for what they have achieved in their limited capacity this year.

It is wonderful to see such large fields of women playing golf at our Club, and I hope this interest in the game continues well into the future. It is pleasing to see women new to Friday and Wednesday golf enjoying their game due to the input and encouragement from Ange Tatt. Thank you also to the members who make new golfers feel welcome at our club.

I hope that 2021 proves a more productive year for women's golf.

Simone Byrne Women's Captain

FINANCE REPORT

The Financial Report for the 2020 year should start with a reference to the COVID-19 virus.

The Coronavirus (COVID-19) has been an evolving situation since late 2019. The Pandemic developed rapidly on a global basis in early 2020, with a significant number of cases in Australia. Measures taken to contain the virus have significantly affected global economic activity, and as a consequence also affected the social and economic conditions within which our Club operates.

The performance of all our Club operational activities has been severely affected by the fallout from the COVID-19 virus, resulting in subsequent political and legislative decisions restricting our Club operations. This is reflected in our Club's total income from its trading operations for the 2020 year of \$2,811,246 being \$3,208,133 less than the prior year.

In these unstable economic times, liquidity is the key issue in maintaining an organisations viability, and our Club operates under this environment. Our Club must have sufficient funds to pay its debts as they fall due. The adage of "Cash is King" has never been truer than in today's COVID-19 business world.

In presenting the Financial Reports for the 2020 year, the first item I can report is the strength of the Clubs Cash position.

Total Cash Balance as of December 31st, 2019 \$ 2,328,085 Increase in Cash Balance during 2020 Financial Year \$ 238,431 Total Cash Balance as of December 31st, 2020 \$ 2,566,516

Maintaining this strong cash position was possible with income generated from our Club operations and the financial assistance from the Australian Federal and Victorian State Governments. There were also significant concessions received from our Gaming Provider. Together with tight control of costs, particularly during times the Club was closed, and operating under restricted trading conditions, has added to maintaining the strong Cash position of the Club.

I advise that the 2020 Financial Reports of the Club show an overall Net Operating Surplus of \$171,838. (Compare 2019 - \$91,578; Note: In 2019 the Club received a Federal Government Grant of \$125,000 towards the cost of building the Driving Range Practice Tee Shelter. This Abnormal source of income lifted the **Net Operating Surplus** of the Club in 2019 from \$91,578 to a **Net Surplus** of \$216,578).

The Club received the following Income from Governments which is treated as Income during the 2020 financial year

- Australian Government - JobKeeper Income
 - Australian Taxation Office - Cash Boost
 - Victorian State Revenue Office - Payroll Tax Refund
 \$ 30,382

Concerning the JobKeeper Income received by the Club, the Club paid its employees according to the rates legislated by the Federal Government during the periods the Club was closed and at various times when operating restrictions were in place. In return, the Club received JobKeeper payments from the Federal Government amounting to \$920,550.

The Net Surplus is the combined result of all the activities of the Club and each Department's Net Contribution to the final result is set out below:-

-	Bar	\$ 120,662
-	Bistro	\$ 18,727
-	Gaming	\$ 161,276
_	Golf Operations	\$ (41,264)
_	Course Operations	\$ 67,630
-	General Operations	\$(155,193)
	Net Surplus	\$ 171,838

This Net Surplus Result of \$171,838 is after the impact of the following items:

- Gaming Entitlements Amortisation	\$ 130,392
- Depreciation	\$ 156,294
- Annual Leave Provided	\$ 92,492
- Long Service Leave Provided	\$ 10,579
- Less Profit on Sales of Assets	\$ 3,883
Total Reductions on Net Surplus	\$ 385,874

Set out below is a brief overview of each Department's Performance:

In past years the Performance Review of each Department has been analysed as follows:

- Revenue in the current year compared to the prior year with an explanation for the increase or decrease in
- Costs in the current year compared to the prior year with an explanation for the increase or decrease in costs.
- Each year the Board sets out Key Performance Indicators (KPI's) as targets set for the General Manager to meet or exceed during the year. These KPI's include the expected Gross Profit % to Sales Revenue, Salaries and Wages as a % to Sales Revenue, etc. Attaining these KPI's is essential to ensuring the profitability of the Clubs operations and measures the General Managers performance during the year.

The disruption to the Clubs operations in 2020 due to the COVID-19 restrictions has made such prior-year comparisons and KPI measurements irrelevant in most instances.

<u>Bar</u>

The Bar returned a Net Profit of \$120,662. Down \$148,982 on 2019. The Bar operations initially closed due to COVID-19 restrictions on March 23rd. The disruption to the Bar trading operations is in line with the closing and reopening dates listed in the Bistro section below.

Functions also ceased on March 23rd due to COVID-19 restrictions which were still in place at the end of the financial year. Bar sales from Functions were budgeted to contribute approximately 25% of Bar revenue for the year

The Bar produced Sales of \$426,545 in 2020 compared to \$1,023,055 for 2019.

The major overhead expense item was Wages at \$201,473. During the COVID-19 period from March 23rd to the end of the year, our staff was paid under the JobKeeper arrangements. Of the income received from the JobKeeper legislation, \$150,054 was allocated to Bar operations.

Bistro

The Bistro returned a Net Profit of \$18,727. Up \$41,298 on the 2019 Loss.

The Bistro closed due to COVID-19 restrictions on March 23rd and reopened under strict and ever-changing Government imposed COVID-19 restricted operating conditions on June 22nd. Unfortunately with the COVID-19 "second wave "the Bistro had to close again on August 6th. Reopening again on September 18th under restricted COVID-19 operating conditions for the remainder of the year.

These restrictions limited the number of patrons permitted in the Clubhouse and the operational procedures in the Bistro.

Restrictions, although being gradually eased, were still in place at the end of the financial year.

Severe COVID-19 restrictions were placed on Function arrangements making functions impossible to operate in our Clubhouse from the time the Bistro closed on March 23rd through to the end of the year. Food sales from Functions were budgeted to contribute approximately 34% of Bistro Food revenue for the year.

The Bistro Sales of \$651,394 for 2020 compared to \$1,667,623 for 2019.

The Gross Profit return of 63.78% was basically in line with the KPI set by the Board at 64.0%. This improved KPI result in 2020 is most encouraging as the low Gross Profit % return had been a real concern of the Board during the prior year.

Wages costs of \$ 615,594, which is a combination of Kitchen and Service Staff, were the major overhead expense item. During the COVID-19 period from March 23rd to the end of the year, our staff was paid under the JobKeeper arrangements. Of the income received from the JobKeeper legislation, \$378,294 was allocated to Bistro operations.

In last year's Financial Report the Board stated "The Board is confident of returning the Bistro to profit in 2020. There is no doubt that the food quality offering fell away during 2019 and the appointment of a Head Chef should improve both the menu and meal profitability. Also, renovations and furniture upgrades planned for 2020 in the Bistro should help improve the patrons dining experience".

COVID-19 disruptions to the Club suppliers and contractors have delayed some of the renovations and furniture upgrades, but the Board is still confident in the above statement.

Gaming

The Gaming Room returned a Net Profit of \$161,276. Down \$459,491 on 2019.

The Gaming Room closed due to COVID-19 restrictions on March 23rd. Gaming operations recommenced on November 9th, under strict Government imposed COVID-19 restrictions. Restrictions were still in place at the end of the financial year.

Commission generated by the Gaming Room of \$807,221 compared to \$2,333,171 in 2019. Associated Gaming Tax and the TGS Service Fee costs decreased commensurately with the reduced Commission.

The major overhead expense item was Wages at \$232,609. During the COVID-19 period from March 23rd, to the end of the year, our staff was paid under the JobKeeper arrangements. Of the income received from the JobKeeper legislation, \$162,529 was allocated to Gaming operations.

The Club continues to produce strong results from this area of operation. There was a strong return to gambling on reopening given the limited number of EGM's permitted to operate due to the COVID-19 restrictions.

Golf Operations

Golf Operations cost \$41,264 compared to \$120,173 in 2019.

The Golfing Operations closed due to COVID-19 restrictions on March 23rd. Restricted Golfing operations recommenced on May 13th, although "Stage 3" restrictions temporally reimposed in August stopped golf again. Since this date, COVID-19 restrictions have been easing with increased player numbers allowed on the Golf Course. The increased use of the Course by Members and Green Fee Players following the easing of player number restrictions has resulted in Green Fee and Competition Fee income well over the normal monthly levels by year-end.

Green Fees received in 2020 were \$134,253; an increase of \$6,599 on 2019 and Golf Competition Fees at \$102,785 were down \$6,542 on 2019.

The Club Annual Tournament was not held in 2020 due to COVID-19 restriction on the playing of Golf. In 2019 the Club Annual Tournament contributed \$6,862 to Golf Operations

The PGA National Futures Championship scheduled for October was not held in 2020 due to COVID-19 restrictions on hosting Golf Tournaments. The Club was contracted for the 2020 PGA National Futures Championships, however, because of the cost of running this event and raising the escalating prize money required to run this event in the future, the Board believed that Club funds could be better utilised elsewhere. The Club had requested the PGA to release us from this Event in 2020 before COVID-19 restrictions. The Club now has no further ongoing contractual commitment to this Event. The PGA National Futures Championships in October 2019 cost the Club \$2,826.

The APLG event at the end of January and beginning of February 2020 cost the Club \$12,086 to host. (2019 cost was \$14,316).

The Club was honoured to again be chosen to host this event in February 2020. This event attracted a high-class field, including top international lady professional golfers, and was seen to be a better opportunity to promote our Club than the PGA National Futures Event. It was hoped by concentrating our efforts on this one major event, particularly with sponsorship opportunities, the Board saw real opportunities in improving what we have already achieved with this ALPG Event. The aim was to turn this Event into a profitable future venture for the Club. Unfortunately, due to timetable changes in other events run by Golf Australia, and increased prize money being offered by competing events, Golf Australia decided against running this event at our Club in 2021. It would appear that we have lost this event for the foreseeable future.

This Golf Operations area is the cost of operating Golf for 2020 and includes a portion of Rates, Administration Wages and associated costs. Of the Income received from the JobKeeper legislation, \$22,097 was allocated to Golf Operations.

Golf Course Operations

Golf Course Operations provided a Net Profit of \$67,630 compared to a Net Loss of \$244,112 in 2019.

(Note that the Financial Accounts for 2019 includes abnormal income received from The Community Sports Infrastructure Grant from the Federal Government of \$125,000 towards the Driving Range Practice Tee Shelter, This Grant Income was recorded in this area of the operations and reduced the cost of Course Operations of \$244,112 to \$119,112 in 2019.)

Subscription Income of \$578,821 in 2020 was an increase of \$42,061 compared with 2019 and continues the trend of the \$43,381 increase of 2019 over 2018. The increased emphasis placed on attracting golfing beginners, both junior and adult, has been reflected in the uptake of golfing memberships. The re-structure of the Membership Offers several years ago makes it financially attractive to convert these newcomers to golf into Club golfing Members and retaining them as Members.

The major expense was Course Wages of \$309,938 that was \$12,460 less than last year. Of the Income received from the JobKeeper legislation, \$185,981 was allocated to Golf Course Operations.

Other major ongoing costs are Golf Course Depreciation \$92,651, Course Maintenance \$81,543 (Includes works of lifting fairway level of 4th Hole \$14,759), Repairs & Maintenance on Machinery \$46,411, and a portion of Rates and Administration Wages.

The Golf Course is improving year by year, and this year included raising the level of the 4th hole. We continue to have by far and away the best Course in the District. This has been well and truly confirmed by the feedback received from players who competed in the ALPG Event during the earlier part of the year.

General Operations

The Cost in this area in 2020 was \$155,193. Down \$256,784 on 2019.

In addition to the allocation of a portion of the Income received from JobKeeper of \$21,595, and the allocation of the State Revenue -Payroll Tax Refund of \$3,870, the following COVID-19 related payments have been received and allocated as income items to General Operations

- Australian Taxation Office – Cash Boost	\$100,000
- Department of Jobs COVID-19 Grant	\$ 15,000
- Business Victoria – Outdoor Eating and Entertainment Grant	\$ 10,000

Interest Income received at \$27,619 was \$21,202 down on last year as maturing Investments were reinvested at current lower market interest rates.

Wages allocated to General Operations were down \$43,808 compared to 2019 mainly as a result of the Operations Manager continuing from 2019 as the temporary General Manager. Also, staff were paid in line with JobKeeper rates of pay during the Club closure, and, the Bus Driver position was not replaced due to the COVID-19 shutdown and the Courtesy Bus Vehicle sponsorship lapsing.

The major expenses in this area include Clubhouse Cleaning, Heat, Light and Power, Insurances, Clubhouse Repairs and Administration Expenses.

This profit centre is the function of all of the other income and expenses of the Club that have not been directly attributed to other profit centres such as maintenance of the Club's gardens and presentation of the Clubhouse generally together with other administrative functions.

Comments

It is important to note that the "house" operations of Bar, Bistro and Gaming still managed to contribute a Net Profit of \$300,664 to the Club in this COVID-19 affected year (Compare \$867,840 in 2019). It is this contribution

each year to the Clubs overall Net Profit which ultimately provides income that would otherwise, need to be raised from increased Golf Membership Fees.

As mentioned earlier in this Report, the financial performance of the Bistro will continue to be a challenge in 2021. In particular, it may be difficult to get Functions back to the same level as in past years, as the trend, particularly with Weddings is tending to trend towards smaller and more informal less costly events.

In this highly competitive hospitality industry, we encourage and need our Members to use and promote all the facilities our Club has to offer.

In conclusion, as we move into the year 2021 we are still under the Victorian Government and Health Department restrictions effecting all our operations. JobKeeper assistance from the Federal Government is winding down and ceases at the end of March 2021. Further significant Government cash handouts are unlikely.

On the more positive side of the equation, our Club operations continue to open up as restrictions are lifted. The COVID-19 vaccination program looks promising and all Governments are working hard to control the virus.

The social and economic future is still uncertain but the Board is confident in maintaining the financial strength of the Club going forward.

Finally, once again I wish to thank Paul Foley for his guidance and ever-watchful eye on the financial performance of the Club. Also, this year for his financial and economic advice during the ever-changing challenges that arose during this COVID-19 year. He also continued to work closely with Louise Meade in the production of the Monthly and Annual Accounts.

The dedication to the Club by the Administration Staff in an extremely difficult year has been a credit to them all. The quality of Financial Reporting produced throughout the year by Louise Mead continues to be outstanding. With Gary Fry heading the Administration Staff, the financial and accounting control of the Club has been maintained at the highest standard.

Finally, thanks to our Auditor Rob Florence (Florence Audit and Assurance), for his timely conduct of the Audit.

Please accept my thanks for your dedication and assistance during the year.

G R Bennett CPA Financial Director

BALLARAT GOLF CLUB INC Statement by Members of the Committee For the year ended 31 December 2020

The Committee have determined that the incorporated association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Notes to the financial statements.

In the opinion of the Committee the financial report as set out:

- 1. Presents a true and fair view of the financial position of Ballarat Golf Club as at 31 December 2020 and its performance for the period ended on that date in accordance with the accounting policies described in Note 1 to the financial statements; and
- 2. At the date of this statement there are reasonable grounds to believe that Ballarat Golf Club will be able to pay its debts as and when they become due and payable.

L. Gray (President)

G. Bennett (Finance Director)

Dated this 19th Day of March, 2021

BALLARAT GOLF CLUB INC Notes to the Financial Statements For the year ended 31 December 2020

1. Statement of Significant Accounting Policies:

This financial report is a special purpose financial report prepared in accordance with the requirements of the Associations Incorporations Act (Vic) and to meet the needs of the members of the Incorporated Association. The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Income Tax:

As the incorporated associated is a non-for-profit organisation, an exemption the for payment of income tax is self assessed under the income Tax Assessment Act 1997.

Inventories:

Inventories are carried at the lower of cost or net realisable value. Cost is based on the first-in, first out method and includes expenditure incurred in acquiring the inventories and bringing them to the existing condition and location.

Property, Plant and Equipment:

Property, plant and equipment are stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition item.

Trade and Other Receivables:

Trade receivables and other receivables, including distributions receivable, are recognised at the nominal transaction value without taking into account the time value of money. If required a provision for doubtful debt has been created.

Financial Assets:

Investments held are originally recognised at cost, which includes transaction costs.

Trade and Other Payables:

Trade and other payables represent the liabilities for goods and services received by the incorporated association that remain unpaid at 31 December 2020. Trade payables are recognised at their transaction price. They are subject to normal credit terms and do not bear interest.

Employee Benefits:

Provision is made for the liability for employee entitlements arising from services rendered by employees to 31 December 2020. Employee benefits have been measured at the amounts expected to be paid when the liability is settled, plus related costs.

Cash and Cash Equivalents:

Cash and cash equivalents include cash on hand, deposits held on call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

Revenue Recognition:

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Revenue from the rendering of services is recognised upon the delivery of the services to customers.

Revenue from commissions is recognised upon delivery of services to customers.

Revenue from interest is recognised using the effective interest rate method.

All revenue is stated net of the amount of goods and services tax (GST).

Goods and Services Tax:

Transactions are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GSTrecoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

Gaming Entitlements

The Club has a contract with the State Government for gaming entitlements which commenced in August, 2012 and has brought to account the value of the entitlements and the obligation to pay for these entitlements. The entitlements effectively represent a licence to operate the Gaming machines. This right is a capital asset and for accounting purposes the Board is amortising the entitlements for 10 years commencing from August 2012.

2. COVID-19 PANDEMIC and EVENTS SUBSEQUENT TO

The entity has had to curtail its usual range of activities during the 2020 year due to COVID-19 restrictions. The entity has been supported by Government stimulus and incentive packages (Jobkeeper and Cash Boost) and the entity has relied upon that revenue to meet commitments, but has reported a profit for the year due to the Government assistance exceeding expenditure incurred. Some uncertainty still exists as to the precise impact on ongoing revenue streams and cashflows during and beyond the relevant restriction periods, including any further such periods that may occur.

COVID-19 restrictions may continue to impact on the operations of the entity post-balance date, and whilst there is a possibility that carrying values of some assets may be impaired and cash reserves may be called upon to continue operations it has not been possible, due to continued uncertainty, to estimate or determine the financial impact on the entity. The Board and Management will monitor profitability and cashflows of the operations of the entity in light of the ongoing COVID-19 pandemic.

Notes to the Financial Statements

For the Loans listed above, with the exception of the VCGLR Gaming Entitlements item, the Finance entities noted have security over the individual asset noted in each loan (Commercial Hire Purchase) description.

For the VCGLR Gaming Entitlements loan, the VCGLR has security over Gaming Machines Entitlements until the loan is fully repaid.

INDEPENDENT AUDITOR'S REPORT

To the members of Ballarat Golf Club Inc

Report on the Audit of the Financial Report

Opinion

I have audited the accompanying financial report, being a special purpose financial report of the Ballarat Golf Club Inc., which comprises Divisional Profit and Loss Statements, Consolidated Profit and Loss Statement, Balance Sheet, Statement of Changes in Equity, Statement of Cash Flow, Notes to the Accounts and Statement by Members of the Committee for the financial year ended 31 December 2020.

In my opinion, the financial report of the Ballarat Golf Club Inc gives a true and fair view of the financial position of the Ballarat Golf Club Inc as at 31st December, 2020 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

Basis for opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the entity in accordance with the *Associations Incorporation Reform Act 2012 (Vic)* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter - Basis of Accounting

Without modifying my opinion, I draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Directors' financial reporting responsibilities under the *Associations Incorporation Reform Act 2012 (Vic)*. As a result, the financial report may not be suitable for another purpose.

Responsibility of the Directors for the Financial Report

The Directors are responsible for the preparation and fair presentation of the financial report in accordance with the requirements of the Associations Incorporation Reform Act 2012 (Vic) and for such internal control as the Directors determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error. In preparing the financial report, the directors are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Club or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for overseeing the Club's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report, as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that audits conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by responsible entities.
- Conclude on the appropriateness of the entities' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

Rob Florence, FCPA

Florence Audit & Assurance 513 Grant Street BALLARAT VUC 3350
