

Members of the Ballarat Golf Club

My name is Barclay Dowling and I am re-nominating for the Board of The Ballarat Golf Club having been a member of the Board since 2015.

I am 61 years old, married (wife Judy) and three adult children (Andrew, Kate & Sam). I live in Alfredton – less than a kilometer from the 18th Green.

My occupation is Stock and Station Agent for Landmark (previously Crawford Dowling where I had been employed for 40 years and served as a director of the company).

I have been a member of Ballarat Golf Club since 2006 - my current handicap is 8. I was previously a member of Skipton Golf Club for 25 years where I served on the Board and held positions of President, Captain and chairman of the Greens Committee and also represented the club in pennant.

I believe we have a wonderful facility at Ballarat Golf Club. The course and the bistro are top class it is great to see that many people choose to have their weddings, party's and other events at the club. I regularly dine in the Bistro and encourage my friends to come and experience the hospitality of the club. I enjoy the camaraderie of the fellow golfers and hope I can continue to contribute to the success of the club.

Sincerely

Barclay Dowling
