

**Letter to the valued Members of The Ballarat Golf Club.**

After moving away from Ballarat for several years for work reasons, I am excited to nominate for the board of the Ballarat Golf Club again.

I bring a wealth of experience as a previous President and Captain of the club, being a big part of the change over from the old club to our new magnificent facility, meeting with Developers and interested parties and taking on many suggestions from members. I encourage members to approach me and chat about anything, to be the voice of the members.

Making our club the best it can be is a continual focus, including the community, the course, the club and its facilities, along with membership, requires a board with passion and experience.

I promise to be a hard-working board member. My strength is communication, not just to members, but the wider community. I have always promoted our club whenever and wherever possible and will continue to do so. I would like to build on our social side of the club as well.

I have a genuine passion for our club and believe I would be an asset to the members and the club. I would be grateful for your support. One thing I do encourage from members is to actually vote. It is a new system this year with on line voting, so it would be great to see a large number of members voting.

Feel free to contact me at any stage, personally or by phone, Mobile 0408 368 003.

Thank you for the opportunity to again be part of the board.

Regards

Michael Erbacher
